ORDER:

The Engineer-in-Chief(AW), I&CAD Dept., Hyderabad in his letters read above has stated that the Government of Telangana envisages to give impetus to the Irrigation by creating irrigation potential under the Major, Medium, Minor Irrigation sectors. The Central Designs Organisation is back bone of the Irrigation Department, providing complete designs and drawings to the projects contemplated in Telangana State.

After Re-organisation of the State, only two posts of Superintending Engineers, one Deputy Chief Engineer for administration and four divisions are allocated to State of Telangana. Keeping in view the Major projects already contemplated and to be taken up in the new State of Telangana, the Engineer-in-Chief (AW) has proposed to Re-organize the Central Designs Organisation Unit by bringing all the Design Offices under one roof, exempting two designs divisions of Dr.B.R.A. Pranahitha Chevella Sujala Sravanthi Project by diverting certain posts from it. It is also proposed to merge the Special Designs Circle, Hyderabad along with its three divisions without any additional financial implications in the reorganization of Central Designs Organisation, with over all cadre strength of (224) Posts in different cadres.

After careful examination of the above proposal, the Government hereby order to merge the Special Designs Circle along with its three divisions into the Central Designs Organisation, Hyderabad and Re-organize the unit with the total cadre strength of (224) posts in different cadres as shown in the annexure to this order.

The Central Designs Organisation, Hyderabad shall vet all the designs and drawings of all Major Projects, which do not have individual designs set up, to enable to get it approved by the respective Chief Engineers.

The Engineer-in-Chief (AW), I&CAD Department, Hyderabad shall take further necessary action in the matter accordingly.

This order issues with the concurrence of Finance (HRM.I) Department vide their U.O.No.5946/176/A1/HRM-I/2015, Dt.6-4-2015.
